6. Abstracts

The screenshot shows a mobile application interface for a conference. At the top, there is a 'Back' button. Below it, the section is titled 'Abstracts'. A search bar is present with the placeholder text 'Search for sessions, presentations, abstracts ...'. Below the search bar, there is a 'Filter' button and a 'Reset filter' button. To the right, there are view options: 'Horizontal', 'Vertical', and 'List' (which is selected and highlighted in purple), and a 'My programme' button. Below these, there is a 'Sort by:' dropdown menu currently set to 'Abstract id'. The main content area displays a grid of abstract cards. Each card has a title, a subtitle, and the author's name. The cards are organized into three columns and three rows. The first column contains Abstracts 3, 19, and 22. The second column contains Abstracts 11, 20, and 23. The third column contains Abstracts 15, 21, and 24.

11. Networking Module

The screenshot shows a web interface for the EADV Congress Milan & Online, dated 7-10 September 2022. The main heading is "Please select your areas of interest." Below this, a text block explains that recommendations will be based on user interests and suggestions for suitable components of the congress programme will be provided. A grid of 10 interest categories is displayed, each with a dropdown arrow: Aesthetics & Cosmetic Dermatology, Allergology, Artificial Intelligence, Continuing Medical Education, Cutaneous Oncology, Dermatopathology, Dermoscopy, Early Career, Funding, and General Practice. At the bottom of the grid are two buttons: "Skip" and "Save and go next". Below the grid is a progress indicator with four dots, the first of which is filled. The background of the interface shows a sidebar with "MY GROUP" and "RECOMMENDATIONS" sections, and a main area with "FURTHER" and "Future" sections, each containing a "View Group" button.
